## **Sponsorship Information**

With your sponsorship of any scholarship, you will receive a plaque with your company's name and logo or the information of your choice.

MPBA requests that someone from your company presents the plaque to the winner of the scholarship at the Banquet on Friday evening.

All photos will be in the first magazine of 2021, and will be displayed on our website.

The kids who win these scholarships are our future, and we must all help to educate them in animal welfare so they are not lost to the animal rights agenda.

Please contact us with any questions you may have.

Thank you for your support and for sharing in our vision!
